**Re: Village of Hanover - Wastewater Treatment Plant Rock Filter Project
Consultant's Analysis of Bids and Recommendation to Award**

Dear Village President Schaible:

On Tuesday, May 22, 2018, Fehr Graham held a bid opening for the Village of Hanover's Wastewater Treatment Plant Rock Filter project. The five (5) bids received were from Flack Land Improvement; Louie's Trenching Service, Inc.; Brandt Construction Co.; Miller Trucking & Excavating; and Fischer Excavating, Inc. We have enclosed the certified Bid Tabulation.

The low bid was submitted by Louie's Trenching Service, Inc., in the amount of \$72,100.00.

Fehr Graham recommends awarding the contract to Louie's Trenching Service, Inc., 9720 Highway 20 West, Galena, Illinois 61036, in the amount of \$72,100.00, with additional consideration being given for the Supplemental Pricing Items - Rock Filter Aggregate Media (\$30/Ton), if needed, and further repair of the Lagoon Fencing (\$10/Foot) if desired.

If you have any questions, please feel free to contact our office.

Sincerely,

Darin W. Stykel
Sr. Engineering Technician
