Community Review

Community Survey

Youth Survey

Meeting was opened to questions from the audience.

Why were Hanover Township residents not included in survey?

Surveys were only sent to the list of water meter billings, in the future Township could be included.

What happens with the data now?

Data will be prioritized by the board.

Why was the survey needed?

The Village comprehensive plan needed to be updated in order for the Enterprise Zone renewal application to be complete.

Don then answered questions that were brought up on suggested improvements that were listed in the survey.

Task Force has been working to clean up properties in the Village for many months now. Some buildings have been torn down because of this and others are targeted.

Sidewalks and street lights for Main Street on already in the planning stages.

Update on the factory was given.

Update on the grocery store was given.

Broadband in the Village was discussed.
